NEW YORK, NEW YORK 10005

SUBPOENA DUCES TECUM
THE PEOPLE OF THE STATE OF NEW YORK

To: Custodian of Records
VDARE Foundation, Inc.
447 South Street
Litchfield, CT 06759

YOU ARE HEREBY COMMANDED, pursuant to the laws of the State of New York and all business and excuses being laid aside, to produce to the Office of the Attorney General of the State of New York, Letitia James, 28 Liberty Street, New York, New York 10005, in accordance with the Instructions and Definitions below, any and all documents requested in the attached Schedule that are in Your possession, custody or control, including documents in the possession, custody and control of entities that You own or control in whole or in part. Your production of documents in response to this subpoena should be addressed to the attention of Catherine Suvvari, Assistant Attorney General, Charities Bureau, and may be submitted by mail or electronic mail provided it is received by **July 25, 2022**, or any agreed upon adjourned date thereafter.

PLEASE TAKE NOTICE that the Attorney General deems the documents and testimony requested by this subpoena to be relevant and material to an investigation and inquiry undertaken in the public interest.

PLEASE TAKE FURTHER NOTICE that disobedience of this subpoena by failing to deliver the documents and information requested in the attached schedule on the date, time and place stated above or any agreed adjourned date and time may subject VDARE Foundation, Inc. ("VDARE") to prosecution under New York law.

PLEASE TAKE FURTHER NOTICE that VDARE shall immediately implement a litigation hold preserving all documents relating to the subject matter of this subpoena, including all documents concerning the specific documents demanded herein. VDARE shall also issue document preservation letters for all documents relating to the subject matter of this subpoena to the following individuals: Peter Brimelow, Lydia Brimelow, John Brimelow, Scott McConnell, John O'Sullivan, Joseph (Joe) Fallon, John Wall, T.M. Byxbee Company, P.C., and Labyrinth, Inc. (Additional subpoenas may follow.)

WITNESS, the Honorable Letitia James, Attorney General of the State of New York, this
23rd day of June, 2022.

SCHEDULE

A. Instructions

1. Please produce the Documents described in Section C of this schedule, in the accordance with the Instructions (Section A), Definitions (Section B) and Format (Section D) described below.
2. Time Frame. Except as otherwise noted, this subpoena applies to all Documents in effect, created, recorded, compiled, transmitted or received from **January 1, 2016 through the present** (the “Relevant Period”).
3. Continuing Obligation. The obligation to produce Documents pursuant to this Subpoena is a continuing one. Responsive Documents located any time after a response is due or submitted shall be promptly produced at the place and in the manner specified herein.
4. All Documents shall be produced either as kept in the ordinary course of business or with an accompanying cover letter that includes a description of the Documents being produced and their contents, the source from which the Documents have been produced, and the number(s) of the request(s) in Section C to which each Document produced is responsive.
5. Documents No Longer in Your Possession. If any Document requested was formerly in Your possession, custody or control but is no longer available or no longer exists, submit a statement in writing and under oath that: (i) describes in detail the nature of the Document and its contents; (ii) identifies the person who prepared the Document; (iii) identifies all persons who have seen or had possession of the Document; (iv) specifies the date on which the Document was prepared, transmitted or received; (v) specifies the date on which the Document became unavailable; (vi) specifies the reason why the Document is unavailable, including whether it has been misplaced, lost, destroyed or transferred, and, if it has been destroyed or transferred, specifies the conditions of and reasons for such destruction or transfer and the persons who requested and performed the destruction or transfer; and (vii) identifies all persons with knowledge of any portion of the contents of the Document.
6. Privilege. If any Document requested is withheld on the ground of privilege or other legal doctrine, submit with the production a statement in writing and under oath (e.g., a privilege log) that provides, for each Document withheld: (i) a description of the nature of the Document and its contents; (ii) the date of the Document; (iii) the Document’s authors and recipients; and (iv) the legal ground for withholding it from production. If the legal ground is attorney-client privilege, please also indicate the names of the attorneys involved in the Document and the nature of their involvement (e.g., as authors). Such statement (or log) shall accompany each production. Further, for each Document withheld pursuant to this paragraph, the relevant production shall include placeholder pages equivalent in number to the page-length of the withheld Document.
7. Format for Production. Unless otherwise specified and agreed to by the Office of the Attorney General, responsive Documents shall be produced in electronic form in

accordance with the instructions and criteria set forth in Section D and Attachment 1 below.

8. Certification. In order for Your response to this subpoena to be complete, it must include a completed version of the attached Certification. In accordance with CPLR 3122-a, the Certification must be sworn in the form of an affidavit and subscribed by a qualified witness charged with the responsibility for maintaining the records, stating in substance that (a) s/he is the duly authorized custodian or other qualified witness and has the authority to make the certification; (b) to the best of his/her knowledge, after reasonable inquiry, the records or copies thereof are accurate versions of the documents described in this subpoena that are in Your possession, custody, or control; (c) to the best of his/her knowledge, after reasonable inquiry, the records or copies produced represent all the documents described in this subpoena, or if they do not represent a complete set of the documents subpoenaed, an explanation of which documents are missing and a reason for their absence is provided; and (d) the records or copies produced were made by the personnel or staff of the business, or persons acting under their control, in the regular course of business, at the time of the act, transaction, occurrence or event recorded therein, or within a reasonable time thereafter, and that it was the regular course of business to make such records.

B. Definitions

1. “All” shall mean “each and every.”
2. “And” and “or” shall be construed disjunctively or conjunctively, as necessary to bring within the scope of a request all responses and Documents that might otherwise be deemed outside the scope of that request.
3. “Any” shall mean “any and all.”
4. “Communications” shall refer to any oral, written, in person, or any other form of relay, transmission, or transference of information by any means whatsoever including but not limited to by way of mail, computer, telephone, cellular or mobile phone, voice mail, electronic mail, radio, video, sound recordings, television, telefax, telex, social media, or any other medium, and shall include any Document that abstracts, digests, transcribes, records, or reflects any of the foregoing.

D. Format for Production

Unless otherwise specified and agreed to by the Office of the Attorney General, all responsive documents must be produced in Concordance format in accordance with the following instructions.

1. Concordance Production Components. A Concordance production consists of the following component files, which must be produced in accordance with the specifications set forth below in Section 2:
 - *Metadata Load File*
 - *Extracted or OCR Text Files*
 - *Single-Page Image Files*
 - *Opticon Load File*
 - *Native Files*.
2. Production File Requirements.

A. *Metadata Load File*

- Required file format:
 - UTF-8
 - .dat file extension
 - Field delimiter: (ASCII decimal character 20)
 - Text Qualifier: þ (ASCII decimal character 254). Multiple value field delimiter: ; (ASCII decimal character 59)
- The first line of the metadata load file must list all included fields. All required fields are listed in Attachment 1.
- Fields with no values must be represented by empty columns maintaining delimiters and qualifiers.
- **Note:** All documents must have page-level Bates numbering (except documents produced only in native format, which must be assigned a document-level Bates number). The metadata load file must list the beginning and ending Bates numbers (BEGDOC and ENDDOC) for each document.
- Accepted date formats:
 - mm/dd/yyyy
 - yyyy/mm/dd
 - yyyymmdd
- Accepted time formats:

- hh:mm:ss (if not in 24-hour format, You must indicate am/pm)
- hh:mm:ss:mmm

B. *Extracted or OCR Text Files*

- You must produce individual document-level text files containing the full extracted text for each produced document.
- When extracted text is not available (for instance, for image-only documents) You must provide individual document-level text files containing the document's full OCR text.
- The filename for each text file must match the document's beginning Bates number (BEGDOC) listed in the metadata load file.
- Text files must be divided into subfolders containing no more than 5000 files.

C. *Single-Page Image Files (Petrified Page Images)*

- Where possible, all produced documents must be converted into single-page tagged image format ("TIF") files. See Section 7.E below for instructions on producing native versions of documents You are unable to convert.
- Image documents that exist only in non-TIF formats must be converted into TIF files. The original image format must be produced as a native file as described in Section 7.E below.
- For documents produced only in native format, You must provide a TIF placeholder that states "Document produced only in native format."
- Each single-page TIF file must be endorsed with a unique Bates number.
- The filename for each single-page TIF file must match the unique page-level Bates number (or document-level Bates number for documents produced only in native format).
- Required image file format:
 - CCITT Group 4 compression
 - 2-Bit black and white
 - 300 dpi
 - Either .tif or .tiff file extension.
- TIF files must be divided into subfolders containing no more than 5000 files. Documents should not span multiple subfolders, a document with more than 5000 pages should be kept in a single folder.

D. *Opticon Load File*

- Required file format:
 - Field delimiter: , (ASCII decimal character 44)
 - No Text Qualifier
 - .opt file extension
- The comma-delimited Opticon load file must contain the following seven fields (as indicated below, values for certain fields may be left blank):
 - ALIAS or IMAGEKEY – the unique Bates number assigned to each page of the production.
 - VOLUME – this value is optional and may be left blank.
 - RELATIVE PATH – the filepath to each single-page image file on the production media.
 - DOCUMENT BREAK – defines the first page of a document. The only possible values for this field are “Y” or blank.
 - FOLDER BREAK – defines the first page of a folder. The only possible values for this field are “Y” or blank.
 - BOX BREAK – defines the first page of a box. The only possible values for this field are “Y” or blank.
 - PAGE COUNT – this value is optional and may be left blank.
- *Example:*

```
ABC00001,,IMAGES\0001\ABC00001.tif,Y,,2
ABC00002,,IMAGES\0001\ABC00002.tif,,,
ABC00003,,IMAGES\0002\ABC00003.tif,Y,,1
ABC00004,,IMAGES\0002\ABC00004.tif,Y,,1
```

E. *Native Files*

- Non-printable or non-print friendly documents (including but not limited to spreadsheets, audio files, video files and documents for which color has significance to document fidelity) must be produced in their native format.
- The filename of each native file must match the document’s beginning Bates number (BEGDOC) in the metadata load file and the original file extension.
- For documents produced only in native format, You must assign a single document-level Bates number and provide an image file placeholder that states “Document produced only in native format.”
- The relative paths to all native files on the production media must be listed in the NATIVEFILE field of the metadata load file.

- Native files that are password-protected must be decrypted prior to conversion and produced in decrypted form.
 - You may be required to supply a software license for proprietary documents produced only in native format.
3. Production Folder Structure. The production must be organized according to the following standard folder structure:
- data\ (contains production load files)
 - images\ (contains single-page TIF files, with subfolder organization)
 - \0001, \0002, \0003...
 - natives\ (contains native files, with subfolder organization)
 - \0001, \0002, \0003...
 - text\ (contains text files, with subfolder organization)
 - \0001, \0002, \0003...
4. De-Duplication. You must perform global de-duplication of stand-alone documents and email families.
5. Paper or Scanned Documents. Documents that exist only in paper format must be scanned to single-page TIF files and OCR'd. The resulting electronic files should be produced in Concordance format pursuant to these instructions. You must contact the Assistant Attorney General whose telephone number appears on the Notice to discuss (i) any documents that cannot be scanned, and (ii) how information for scanned documents should be represented in the metadata load file.
6. Structured Data. Structured data includes but is not limited to relational databases, transactional data, and xml pages. Spreadsheets are not considered structured data. You must first speak to the Assistant Attorney General whose telephone number appears on the Notice.

Relational Databases

- Database tables should be provided in d or other machine-readable, non-proprietary format, with each table in a separate data file. Each data file must have an accompanying data dictionary that explains the meaning of each column name and explains the values of any codes used.
- Dates and numbers must be clearly and consistently formatted and, where relevant, units of measure should be explained in the data dictionary.
- Records must contain clear, unique identifiers, and the data dictionary must include explanations of how the files and records relate to one another.

7. Media and Encryption. All document sets over 2 GB must be produced on CD, DVD, or hard-drive media. All production media must be encrypted with a strong password, which must be delivered independently from the production media. Document sets under 2 GB may be delivered electronically. The OAG offers a secure cloud storage option that can be set up to receive media on a one-time basis, or the OAG will download media from the providing parties' server.
